The 14u Knoxville Explosion opened up the 2012 Spring Season at beautiful Warner Park in Chattanooga on 3/24. Battling a variety of obstacles including the weather, the 14u Explosion had to have some help from three members of the 12u Explosion due to Middle and High School competition, but that did not discourage the 14u squad from playing very competitive softball. We did not win the tournament but did a great job in our first outing of the Spring playing very strong older 14u teams. Remember ladies, it is about the Focus, Attitude and Effort! 2012 looks to be a great year!
