The Knoxville Explosion Fast Pitch Softball Organization completed it's Summer 2013 Locks of Love hair drive for our sisters in the community suffering from ailments that have caused temporary or permanent hair loss. This project was like many others that we engage in with one twist, it required a personal sacrifice of hair from our players. Our players were up to the challenge and reached out to help those in need! The following players will receive official locks of love hair donation certificates for their personal sacrifice: Emily (Bug) Buskey ('00 Explosion), Anna Grace Fox ('00 Explosion), Caroline Fox (10u Nemesis), Ella Fox (8u Explosion) and Halle Pickens (8u Explosion). We are very proud of your sacrifices and what you have done for those in need should not be forgotten! Great job girls! We also want to provide a big shoutout to this event's coordinator, Doug Drinnon who has players on both the '02 and 8u Explosion teams. Thanks Doug for all of your hard work as well!
