Boom! Congratulations to the '99 Explosion who won the USA 18u Tournament Championship held at Willow Creek in Knoxville, TN on 7/8/17! The '99 Explosion went 3-0 before torrential flooding occurred leaving 4 undefeated teams of which the Explosion won on run differential and runs allowed. In spite of the rain, we had a great time and this was the final tournament for the '99 Explosion of the Spring 2017! A big shoutout to our homerun hitters Maggie Savage and Morgan Stapleton as well as our outstanding pitching performances from Maggie Savage, Emma Seagrave and Natalie Johnson. We also want to recognize our departing seniors Maggie Savage, Emma Seagrave, Delaney Weller and Tori Ogle! It has been a joy and pleasure to coach such great players and representatives of this organization. Good luck in all of your endeavors ladies, we are very proud of you!
