

Boom! Congratulations to the Explosion Select who bounced back from a first game bracket loss to run the table and go 7-1 to win the Bringing the Heat USA 18u Division in Telford, TN on 6/25/18. Ariel Holt led the Explosion Select pitching staff with 3 wins, including the 1st championship game and was equally impressive at the plate with 7 extra base hits! Kudos to Maggie Savage and Hailey Byington who also kept the Select's opponents bats in check, both picking up 2 wins each. The Explosion Select won the final 6 games, including 4 back to back including a thrilling last inning comeback win against the East Tennessee Crush to claim the championship. Great job Crush and Explosion, we are very proud of your efforts!
