

'07 Explosion Finish as ISA Class A World Series Runnerup in Cleveland, TN

Written by Joe Birchfield

Boom! Congratulations to the '07 Explosion who finished as the ISA Class A 10u World Series Runnerup at in Cleveland, TN on 6-8-18! The '07 Explosion beat the heat and fought through the "A" bracket to become the 10u runner up at the ISA World Series. There were a total of 22 teams in the 10u division.

After going 0-2 in the pool games (losing by 1 run in each), the girls turned it around and went 4-2 in bracket play. They beat some excellent teams such as the Knox Storm, Spirit, GA Lightning and the Frost Falcons but fell short, 5-3, to Fury 08 in the Championship Game. An outstanding effort by all!

Special shout out to Adrianna King who was the 10u Home Run Derby Champion in the pre-tournament activities. Congratulations Adrianna!!
