Huge shout out to our [# Explosion06](#) ladies on a major accomplishment for their 12u season! You're looking at your 2019 ISA World Series ("A" Bracket) Champions!! The '06 Explosion finished at the top of the pack from a field of 20 (12u Teams) that included teams from 5 different states, going undefeated on the weekend & battled some awesome competition. The '06 Explosion outscored the competition 41 to 12 in 7 games (15 to 9 in bracket play). Shout out to the GA Fire on 2 of the best battles we've had all year. Also, shout out to GA Edge, Chattanooga Cruisers, & Tennessee Elite on some great games. All class acts and an absolute pleasure to share the field with. Can't say enough about this group of girls. They've worked so hard all year long and have gelled into one special team...full of personality, talent, & a will to win. This was one huge team effort this weekend and everyone played a vital role. Super proud and so very
