Written by Joe Birchfield

Boom! Congratulations to the '09 Explosion who finished a very close 2nd place by literally being on the field when the lights went off in the Championship game of the 12u division of the ISA World Series Warmup against the '08 AP Premier Gold! The championship game ended in a 3-3 tie and was awarded to the AP Premier Gold for going undefeated in bracket play. Great job AP Premier and Explosion, we are very proud of your efforts!
