Written by Joe Birchfield

A big shoutout to the Explosion Select for finishing 3rd in the 18u Gold Division of the USA Halloween Havoc held in Kingsport, TN at Brickyard Park on 10/17/20! For the day, the Explosion went 3-1 losing a heartbreaker to the Boom Select 2-0 in the semi-finals on a 2 out, inside the park homerun. Another shoutout to Tori Coffman who paced the Explosion offensive attack, hitting .667 including a 260 foot homerun in the second game of the day while throwing a 1-hitter in the semi-final loss. Also a big shoutout to Head Coach Kelsey Birchfield who tirelessly works in her spare time to steadily improve this team over the past 2 months while finishing her senior thesis, completing her final year of a Biology major at Maryville College and interviewing for veterinarian school entrance. Great job ladies, we are very proud of your efforts!
